

## **CURRICULUM VITAE**

Jan Karlseder, Ph.D.  
Professor  
Molecular and Cell Biology Laboratory  
The Salk Institute for Biological Studies  
10010 North Torrey Pines Road  
La Jolla, CA 92037-1002  
USA  
Tel: (858) 453-4100 x1867  
Fax: (858) 457-4765  
Email: [karlseder@salk.edu](mailto:karlseder@salk.edu)

### Education

1987-1989	Biology University of Innsbruck, Austria
1989-1992	Molecular Genetics University of Vienna, Austria
1991-1992	Diploma thesis (MS equivalent) Department for Molecular Oncology University Hospital Vienna Advisor: Dr. R. Zeillinger
1992-1995	Ph.D. thesis, Molecular Biology Institute for Molecular Biology, Vienna Biocenter, University of Vienna Advisor: Prof. Dr. E. Wintersberger Ph.D. thesis: Interaction of transcription factors at the murine thymidine kinase promoter.

### Appointments

1990-1991	Scientific co-worker Department for Molecular Oncology, University Hospital Vienna
1995-1996	Postdoctoral fellow Center for Applied Genetics, Univ. BOKU, Vienna Advisor: Dr. M.M. Simon
1996-1997	Postdoctoral Associate Rockefeller University, New York Advisor: Dr. T. de Lange
1997-2002	Postdoctoral Fellow Rockefeller University, New York Advisor: Dr. T. de Lange
April 2002	Appointment as Assistant Professor, The Salk Institute for Biological Studies, La Jolla, CA Appointment as adjunct Assistant Professor, University of California at San Diego (UCSD)

- April 2007            Promotion to Associate Professor  
The Salk Institute for Biological Studies, La Jolla, CA  
Appointment as adjunct Associate Professor, University of California at San Diego (UCSD)
- April 2011            Promotion to Professor  
The Salk Institute for Biological Studies, La Jolla, CA  
Appointment as adjunct Professor, University of California at San Diego (UCSD)
